

JOINT ACTION COMMITTEE OF BSNL ASSOCIATIONS AND UNIONS

ASSAM TELECOM CIRCLE, GUWAHATI

No. JAC/ASSAM/GH/NGN-CSC/2012

Dated: 13-8-2012

MEMORANDUM

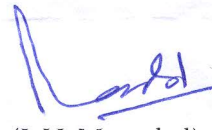

The meeting of JAC, held at Guwahati on 13th August 2012 with participation of representatives from Sanchar Nigam Executives' Association (India), All India BSNL Executives' Association and BSNL Employees Union, Assam Circle has discussed in details about the proposed letting out on lease or rent the ground floor of the New Administrative Building at Nagaon by BSNL to other organization like Bank etc.

The representatives of all the three associations/union visited the said building at Nagaon on 6th August 2012 to study the feasibility of letting out the ground floor to other organization, keeping in view the interest of BSNL. It was found that the ground floor of the new building was designed and accordingly constructed to set up a Customer Service Centre (CSC) with due approval from the competent authority, probably due to the importance of the place where the building is located. The JAC also understands that the location of the building is quite strategic as it is adjacent to a few important establishments like Nagaon College, Deputy Commissioner's office etc where there is ample scope of business for BSNL.

Keeping in view the interest of BSNL, the Joint Action Committee of BSNL Executive Associations and Non-Executive Unions, Assam Circle is of the unanimous view that BSNL should immediately open up CSC in the new building where TRA and Commercial sections are also available at present. This new CSC at new Administrative building should be operated in addition to the CSC presently working at old exchange.
