

# UNITED FORUM OF BSNL UNIONS AND ASSOCIATIONS

ASSAM CIRCLE :: GUWAHATI

No. UF/CGMT/ASSAM/BSNLMRS

Dated : 22.12.2014

To

Shri. Rajeev Yadav

The Chief General Manager

Assam Telecom Circle, Guwahati.

Sub: Empannelment of Hospitals under Kamrup and other SSAs in Assam Circle.

Respected Sir,

It has been a matter of serious concern that the Assam Circle administration is showing no significant interest and no serious efforts are being made to empanel hospitals in the circle for medical treatment of its own employees and their dependents under BSNLMRS. This has made this employee welfare scheme meaningless and the employees are being harassed in one way or the other on silly grounds with regards to choice of specialty hospitals for medical treatment and then settlement of medical bills.

1. This forum of Unions and Associations representing 100% of the executives and non-executives of the circle register strong protest against the indifferent attitude of the management at different levels so far as the implementation of BSNLMRS is concerned. It is quite surprising that there is hardly any good hospital in Guwahati that is empanelled as on date. We request your personal intervention to ensure that at least the following 8 (eight) hospitals are empanelled under Kamrup SSA as early as possible :

1. GNRC Group of Hospitals
2. International Hospitals
3. Down-Town Hospital
4. Dispur Hospitals
5. Nemcare Hospital
6. Marwari maternity Hospital
7. Swagat Endolaparoscopic Surgical Research Institute
8. Advance Neuro-centre, Ganeshguri

2. Also the proposals received by the circle office from other SSAs may kindly be approved for their early empanelment.

3. A detailed discussion may please be arranged at an early date with this Forum to sort out multiple issues pertaining to BSNLMRS.

We solicit your kind personal intervention so that the issue does not escalate further and this vital issue is addressed with seriousness and sincerity please.
